SOIL CONSERVATION NEWS

By T. C. Self and Joe Wildman, S.C.S.

Sam Kelley, Victoria, has completed construction on a farm pond. This pond was constructed as designed by Soil Conservation personnel. Side slopes of two and one half to one helps prevent the side slopes from sluffing off during wet seasons. A storm spillway 20 feet wide was constructed to take care of maximum flood conditions that may occur during a 20-year period.

We note with interest that some of the larger timber growers in the county are practicing low grade hardwood. This practice is encouraged on woodland areas large and small.

Soil Conservation personnel from nine counties met in Andalusia Sept. 3rd. Bob Williams, range specialist, conducted the training session. According to

struction of Project No. S-589 (2) in Coffee County, and that the State has set the date for final settlement as September 30, 1959. All claims should be filed at our office in Dozier, Alabama before date set for final settlement.

22 YEARS AGO

Mrs. Walter Whitman, Jr., Mrs. John Kendrick, Mrs. Harold English, Mrs. J. A. Carney, Jr., Mrs. Gethel Pinchard, Mrs. Hohn Michel, Miss Gladys Clark, and Miss Nell Brock entertained as joint hostesses when they honored Mrs. Charles Hayes, Jr., a recent bride, at a bridge luncheon and linen shower in the home of Mrs. Whitman.

Mrs. Lillian Rugsdorf, who has been the guest of her daughter, Mrs. Felix M. Chapman and family in Birmingham for several weeks, returned to Elba Friday.

A number of little friends were joyfully entertained at a party given by Miss Mildred Timmerman in the home of her parents, Rev. and Mrs. J. A. Timmerman, in celebration of her tenth birthday.

Those present were Joan Clark, Mrs. Brunson, Mary Cawell Dowling, Betty Jean Jones, Betty Sue Clark, Jake Morrow, Catherine Mullins, Fred Harper, John Barton Harper, Marygen Whitman, Buddy Whitman, Lorette Reeves, Barbara Jones, James P. Jones, Mary Emma Pinchard, Minnie Alice Clark, Jeanette Horn, Roy Francis Watkins, Tonye Mae Bryan, Betty Ann Bryan, Judson May, Ella Elizabeth Wilkerson, Frances Boutwell, Mae Boutwell, and Vera King.

A series of revival meetings will begin at the Elba Methodist Church next Sunday and continue through the following Sunday night. Rev. L. S. Gilmer, pastor of the Midway Methodist Church, will do the preaching.

Elba National Guardsmen and officers left Sunday morning for Fort Belvoir National park near Bloomington, to take part in Army War Games to test Civil Coast Defenses. Around 60,000 troops from the U. S. Third Army will participate.

The first bale of 1958 cotton was received in Elba Tuesday and sold at public auction. Elba City and Warehouse Company was high bidder for the bale, which weighed 584 lbs. It was grown on the C. E. Dorsey farm and brought to Elba by Hugh Gannon, who also brought the first bale last year.

A new residential subdivision located on the Elba-Opp Highway, atop the hill above the canal, will be opened soon, according to John Garrett, Jr. The new section has been named "Hillcrest."

the leap of FAITH

The paratrooper has faith in his "chute." The motorist has faith in his brakes. The shopper has faith in the brand-name she buys. All of us exercise our faith a hundred times a day.

Religious faith is like its every-day cousin. It is the same implicit reliance . . . the same daring confidence.

Religious faith comes when we seek it. But there is always the leap. Man has to step from his worldly floor into the spiritual space where God reveals his power and love. He must decide to believe what he cannot prove!

Like the leap of the paratrooper, the leap of faith begins months earlier in careful training.

The day a family starts to attend Church regularly, the training begins.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Through the Keyhole

BY MRS. ROBERT CANNON

Mr. and Mrs. Otto Luenig

SURROUNDED BY THOSE she loves and within the walls that sheltered her young girlhood, Catherine Brunson pledged her troth to Otto Luenig in a quiet ceremony Saturday morning, September fifth.

Proceeding the ceremony an especially interesting musical program was presented. It included a hymn tune by William Billings and the song "If I Can Keep One Heart From Breaking" which Miss Constance

living room, a matching arrangement of flowers was used. The marriage vows were read by the Rev. Eugene A. Luenig, minister of the First Christian Church of Memphis, Tennessee, who is the nephew of the groom in the presence of the immediate families.

Mr. John Brunson escorted his daughter to the altar. Catherine was lovely in a two-piece dress of brown and gold french brocade accented by a small satin hat with brief french veil in matching color. Her bouquet was of ivory fleur d'Ankur and her gloves were ivory.

Judy Brunson Sparks of Tupelo, Mississippi, was Catherine's attendant. Her gown was of bronze taffeta fashioned with three quarter length sleeves and graceful skirt. She carried a bouquet of autumn-toned flowers which picked up the gold tones in the bride's gown.

Mr. Luenig was attended by his nephew, William D. Luenig of East Alton, Illinois, who served as Best Man. A most interested spectator at the ceremony was the bride's niece Carol, who looked like an old fashioned miniature in her bouffant organdy dress sashed in soft brown taffeta.

Mrs. Brunson was gracious in a dress of imported white linen accented with Irish linen over blue at the pocket and collar. Her corsage was a delicate blue.

After the ceremony the families gathered in the dining room for a wedding breakfast. The dining table was covered with a linen cloth centered with an arrangement of ivory stock roses, and stephanotis. Ivory candles burned in silver candelabra and a tiered cake was placed at one end of the table. The punch bowl was at the other end of the table and a silver coffee service was placed on the buffet. Silver trays and compotes completed the appointments.

Catherine's groom proved himself to be a delightful person and completely won us with his charming manner. Mr. Luenig is a composer, conductor of premieres of numerous American operas, and prominent in the development of electronic music in the United States. He was born in Milwaukee and educated abroad. His honorary appointments include that to the National Institute of Arts and Letters and that of trustee to the American Academy in Rome.

He is now Professor of Composition at Barnard College and Columbia University. Catherine is a member of the faculty of The Parker Collegiate Institute so they plan to live in New York City when they return from a honeymoon trip.

Catherine and Otto are pictured here on the porch of the Brunson home prior to the ceremony.

WEARING A BLACK and white checked sheath topped by an Elton jacket edged in fringe, Norie Smith was an especially pretty bride-elect. The occasion was a party given for her at the Canley home with Nancy Carnley and Mary Jo Purvis of Montgomery as hostesses.

On the coffee table white gradoli and green foliage set the scene for a green and white bridal theme which was carried out in the refreshments. Norie was asked to pull a streamer which led out of the room and, on doing so, heard a slyly ringing of wedding bells. At the end of the streamer were the gifts of linen brought by the 15 guests to surprise the

honoree.

IF YOU HAVEN'T SEEN the dear little girl who has at long last come home to live with Leigh and Josh Tatum, you have missed a real treat. "Christy" was being entertained by her proud grandparents the day we went calling and she delighted us all by really taking notice of all that was going on, as though to tell us that her long ordeal in the DeBane hospital hadn't bothered her a bit. Christy's home is beautifully decorated in the provincial theme and shows decorative talents to a great advantage.

OFFICERS TO
BE ELECTED
FOR 4-H CLUBS
BY TOM CASADAY
Asst. County Agent

John Wakefield and I had a very pleasant short visit with the principals of all the rural schools in the county this week. Purpose of the visit was to set the dates for our monthly 4-H club meetings. You can imagine how enthusiastic we are about meeting our boys and girls in Coffee County.

The principals we visited are looking forward to a good year in 4-H club work. We are encouraged by this for we certainly need the help of every one in carrying out a good program. Three new principals are on duty in the county along with several new local leaders. With all of us working together, I am sure we can have a 4-H club program second to none.

Officers

Who will be the officers of the Coffee County 4-H Clubs? We will know in a little over a week. This week and next week, we are in the midst of organizing our 33 clubs, and officers will be elected to serve each club.

A few days after all club officers are elected, we plan to have the President and Vice President of each boys' and girls' club to attend a county council meeting. The 4-H club council is made up of the president and vice president of each club. From this group of some 66 boys and girls, we will elect county officers. And these officers will head the Coffee County 4-H Club council. One person will be the president and this is an important office. Early in the year, the president will attend the state 4-H planning meeting in Birmingham for about three days. We think we have the best boy and girl in the State and we are going to do the very best we can to give them a top notch program.

Cattle Marketing

While in Kansas City, County Agent Speed and I visited the Kansas City Stockyards. We were there Tuesday afternoon, Sept. 8. That morning they had sold 14,000 head of cattle, 12,000 head of hogs and 4,000 lambs. They told us they had a little bliger run usual because the yards were closed for Labor Day. We were certainly impressed with the numbers of cattle and hogs on this one market. We made to realize over again that livestock, both in that area and in our area of Coffee County, is most important.

In the years to come—and we are moving into that direction rapidly—we should be selling a lot more hogs and a lot more cattle than we are now. When that time arrives, our Coffee County farmers will be in a much better position.

Enterprise Gets Emergency Hospital

Enterprise, a 200-bed Civil Defense Emergency Hospital, complete with every essential facility, except kitchen equipment and storage space, recently was allocated to Enterprise, to be constantly available for use during any disaster conditions that could require hospital facilities over and above the existing normal facilities available here.

The hospital is expected to arrive Sept. 23, and will be stored in Enterprise. It was obtained through the Civil Defense Department of the State of Alabama by allocation from the Office of Civil and Defense Mobilization, Battle Creek, Mich. combined with the long active efforts of Mayor L. N. "Jug" Brown of Enterprise.

OMISSION

A paragraph was dropped from the news account in "The Elba Clipper" last week about the change in ownership of the Elba Ford Agency, Gendey Motors, Inc., purchased the agency from Elba Motor Co., which, in turn, had bought the business from Cannon Motor Co., operated by Gerald Cannon.

All agreed that an extra room is needed. But there's no space for an extra room in the present school building. All agreed that an extra room needs to be built. But the School Board doesn't have the money to build one.

School authorities foresaw that enrollment in Elba city schools would continue to increase beyond the already over-crowded facilities. They mapped a building program. Then they asked the voters for an extra tax to produce the money to meet the needs.

The majority of the voters of Elba rejected the tax increase. So that's where the matter rests. School buildings are bursting at the seams and students will increase in numbers because Elba is growing. But there's nowhere to put the extra students.

The solution is up to us, the voters.

"B-Day" Set For Tomorrow With 1,000 Books As Goal

"B-Day" in Elba has been set for tomorrow, Friday, Sept. 18. That is the date set by a committee of Elba High School P.T.A. to get 1,000 books for the school library as part of Elba High's 25th anniversary celebration. Elba High was put on accreditation probation last year because of a lack of proper science equipment, lack of library books and teacher units. Superintendent Sam J. Casey believes that new science equipment added since then will meet state standards as well as the teacher units.

There remains the need for 1,000 additional books for the library and a P.T.A. committee of four composed of Mrs. Annette Ford, Mrs. T. K. Dorsey, Mrs. O. B. Rowe and Bob Mason are spearheading a drive to get the books or the money to buy them before the Oct. 1 deadline.

The P.T.A. committee has asked the public to leave the books or contributions at Elba High School Library or at Shelby Morrow's store, Rowe's Sundries, Stephens's Superette, or L. C. Carter's.

The committee will send someone to the home of anyone who will call either of the following: Mrs. Betty Dorsey, 7-2304; Mrs. Annette Ford, 7-2308; Mrs. O. B. Rowe, 7-6116; Mrs. Dorsey, 7-2326; Mrs. Durham, 7-6150; Mrs. Lucy De Maeson, 7-2388.

Mr. Casey stressed that with the educational system becoming more critical each year, and with competition from larger and better equipped schools, getting into a college or university will become more difficult for Elba High school graduates. This means that there will be no "Cap and Gown" for Elba girls and boys who plan to go to college unless 1,000 books or \$3,000 with which to buy them are collected by Oct. 1, 1959.

Annette Ford, president of the Elba Parent-Teachers Association, pointed out that every Elba parent and grandparent has had stake in making Elba High school an accredited institution of learning, for their children's educational future depends on it.

IT'S UP TO US

TIGERS FACE LUVERNE HERE ON TOMORROW

BY BOBBY INMAN

The red-hot Elba High Tigers, fresh from a whirlwind victory over Brantley's Bulldogs in Tiger Stadium last Friday night, face a tough Luvorne Tiger team tomorrow night on the home field.

Both teams will go into the game undefeated. Luvorne romped over a strong Georgia team in Luvorne last Friday night to the tune of 20-7. The visitors present a big threat Elba grid fortunes during the early season, and should prove to be a big test of the young Tiger team.

Chances are they won't leave as badly defeated as was Brantley last week. Elba was ahead all the way in gaining a 19-6 victory.

Many Surprises

Several surprises in addition to a steady drizzle of rain, greeted local fans at the stadium last week. Coach George Grider took the wraps off one of the finest clubs fielded by Elba in a number of years. Elba received the title of "Tiger" fans had not seen since the Dyess-Wise era four years ago. Boys such as Sanders, Twilley, Nelson, Hudson, and Corbett ran roughshod over the visitors, racking up a total of 212 yards rushing.

Also revealed was a big fast line that is as rock-ribbed as any Elba has fielded in recent years. They held Brantley to only 60 yards rushing. From the first whistle to the last, it was apparent on which side of the fence the victory belonged. Elba received the kickoff, and after a beautiful runback of 32 yards by Sanders, the Tigers went into action. They went to the Brantley 27 before losing the ball on a fumble. They had it back moments later, however, after covering a Bulldogs miscue. They went on to the visitors' 11-yard line before losing the slippery ball on a fumble again. Brantley punted to their 49-yard line where Elba took over and started a drive that ended with Elmer Twilley, left halfback, cracking off tackle for 11 yards and the first Elba touchdown of the year. Hudson made the PAT, and the Tigers were ahead, 7-0.

Score in Second Quarter. The Tigers scored in the second quarter after taking over on the Bulldogs' 38 and proceeded to score in five plays. The big play was a 23-yard run by fullback Gary Hudson that carried to the 15-yard line. Hudson scored the TD on a handoff play to the middle. The extra point was good, and the Tigers led 13-0.

Resuming play in the second half, the Tigers kicked to Brantley, held them to 2 yards in three plays, took over on the 27, and scored again in 5 plays. Corbett contributed a 12-yard run.

The only Brantley tally came in the fourth quarter after they partially drove a Nelson punt and took over on the Tigers' 38. It took them eight plays to score with McNeil going over for the TD. The extra point failed, and the score stood at 19-6. The game ended shortly afterward with the Tigers on the Brantley 16.

Outstanding Line. The whole Tiger line was outstanding from end to end. Guard Mickey McCollough was especially outstanding on defense with several key tackles. Combie Davis, 200-pound substitute tackle, who had been out for football only one day previous to the game, also performed well.

The entire backfield also performed well, with Hudson and Nelson emerging as the ground-gainers. Key plays by Twilley and Corbett also contributed to the Tigers' overall success. Quarterback Sanders, a slight-of-hand master, ran his way with the posse and skill of a veteran, and was clearly the master of the situation at all times.

Starting lineup for the Tigers was as follows:

Merchant Of Elba Dies In Atlanta

James Joseph Wise, 50, prominent merchant of Elba, died Monday at 7:45 p. m. in St. Joseph's Infirmary, Atlanta, following an operation.

Mr. Wise was owner of Wise's Men's and Boys' Wear and was a long-time member of the Elba Chamber of Commerce, at a meeting last week. K. D. Thompson is chairman.

The committee decided to in-lude closing Armistice Day, which falls on Wednesday, but without the usual Thursday afternoon closing next day. Closing Thanksgiving, already decided upon, was retained.

A decision was taken to close three days at Christmas but to remain open New Year's Day. A three-day Christmas holiday was decided upon when the merchants voted to close Friday, Christmas day, and remain closed Saturday, which, followed by Sunday, would constitute a three-day weekend closing.

'JINX CORNER' HAS ANOTHER CRASH HERE
A week ago occurred the last in a series of automobile collisions at the corner of Simmons and Addison streets to earn this intersection the nickname of "the jinx corner."

Police say as many accidents occur there as in all the rest of the city combined although there is no clear logical explanation yet. There is a traffic light there and it is an open intersection with the building at the corner to obscure the view.

Thursday, Sept. 3, at 12:35 p. m. an automobile driven by Wm. Harold Grant, 24, of Enterprise, traveling east on Simmons St., was stopped for the traffic light when it was running red. The car was struck from the rear by an automobile driven by Jack T. McCall, 41, of Elba, with damage to the front of McCall's car and the rear of Grant's car, according to police.

STORES HERE TO BE CLOSED ON ARMISTICE

A revived series of closing dates for the rest of this year was drawn by the Merchants Division Committee, of the Elba Chamber of Commerce, at a meeting last week. K. D. Thompson is chairman.

The committee decided to include closing Armistice Day, which falls on Wednesday, but without the usual Thursday afternoon closing next day. Closing Thanksgiving, already decided upon, was retained.
